## SPLIT LEVEL WORKSTATIONS

The Split Level is the ideal economical workstation choice for classrooms, computer labs, training rooms, or offices. Featuring two independently height adjustable platforms to accommodate a variety of users. Set the back platform (17"D) lower than the front platform (19"D) to give an unobstructed view of the trainer or instructor. Each workstation includes a CPU holder and a desktop grommet (2 each for dual-user workstation). Optional cable management conduits are available. The frame is constructed from black powder-coated steel for superior durability, and the platforms are scratch-resistant gray laminate.
