## INITIATE PANEL SYSTEM

Plan for today, but prepare for tomorrow. You can create virtually any kind of configurations with Initiate. You can establish private spaces, public spaces, & spaces that seamlessly integrate the two. Best of all, you can change on a dime. Initiate is that easy to reconfigure. Please call your Culver-Newlin Sales Representative for professional design consultation & pricing.

## GREAT DIVIDE

The Great Divide is the first completely modular wall system, allowing you to add or subtract panels to change the wall length & to rearrange walls as your needs change. Starter sets come ready to use & include three wall panels 32" (W) & two end panels 27½" (W) centered perpendicular to the wall panels for privacy & ease of joining sets. **(Add-on sets)** include two wall panels 32" (W) & are designed to join to starter sets to create a maximum wall length of 24'. The tackable fabric panels are extra sound absorbent. Markerboard panels feature a high pressure laminate dry erase surface that provides smooth writability, easy erasability & exceptional durability. The decorative laminate surface option, with its high-end natural cherry finish. Dual-wheel 2" casters for easy maneuverability are included.
